

SPRINT Grant 2023 –

ADA accessible sidewalk – Main Museum building entrance (south side of Mill Street)

Scope of Work

Building Description:

The Lindsborg Old Mill & Swedish Heritage Museum spans on 15 acres of property. It includes 8 historic buildings and 2 buildings on the national register of historic buildings: the 1898 Smoky Valley Roller Mill and the 1904 Swedish Pavilion.

The main museum building has 2 galleries, a gift shop, 2 bathrooms, and an office space on the first floor. It has office and storage spaces in the basement.

Project Description:

Install ADA accessible sidewalk from Mill Street to the front entrance of the Museum building.

Detail of Work:

- Remove 13 feet of cement and replace it with 6ft wide ADA Compliant walkway.
- Install sidewalk of approx. 45' in length, 5' wide and 4" thickness
- Approximately 60-inch curb and gutter cut.
- A landing is required between the curb ramp and the sidewalk, typically located in the Right of Way where a sidewalk running parallel to the street is. 5' x 5' with a slope not to exceed 1/48, 2% in either direction.
- ADA Compliant Truncated Dome Mat at the street side landing.
 - o Platform Edges: 24 inch wide and will extend the full length of the landing.
- 3500psi concrete to be air entrained.
- Wire mesh reinforcement
- Broom finish
- Slope not to exceed 1/12, 8.3%
- Cross slope not to exceed 1/48, 2%
- The new concrete will require expansion joint between the new concrete and the existing concrete.
- Control joints at approximately 5' intervals done with an edging tool, not saw cut.

Separate Line-Item Cost (Dependent on Budget):

- Landscaping demo and finish.

General Conditions:

- Certificate of insurance is required.
- Storage and handling of all materials must be in a manner which prevents additional loss, deterioration, and damage; storage area to be designated by project administrator.
- Construction schedule to be itemized with headings related to the breakdown in payment requests.
- Compliance with all applicable laws and statutory regulations is required.
- Onsite evaluation.
